AGENDA

WITNESS - (10-15 MINUTES)

BREAKOUT LEADERS: The BREAKOUT is intended to cultivate transparency, accountability, and relationships that can later serve as a pathway for ongoing equipping and discipleship. Break into smaller, like-gendered groups of 3-4. Address the following questions:

- What is a significant truth that you have learned or been reminded of today?
- We learned from this week's message that it is important not to grow complacent with our spiritual level. Doing well yesterday does not guarantee we will do well today. How can we continue to grow through perseverance and dedication?
- How can we help support you, encourage you, or hold you accountable this week?
- How else can we pray for you this week?
