WORD - (15-20 MINUTES) READ Philippians 3:12-16

1. How would most people define a successful life?
2. What was Paul pressing on towards? What was he trying to accomplish?
3. What was Paul's philosophy on looking back at the past?
4. Verse 12 says that Paul had not already obtained these "things." What are the "things" he was talking about? (LEADER: Review Philippians 3:7-11)
5. Why is it important to focus on the present and future instead of on the past?
6. In your opinion what attributes does a mature, successful person and/or follower of Christ have?
7. How would you describe the "prize" that Paul was striving for? Also, how would you describe the prize you are pursuing in your life? (i.e. relationships, education, career, family, money, etc.)
8. Paul believed that success was running the race that God had given him. Do you feel successful in the race that you are currently running for the Lord? Why or why not?
9. What changes do we need to make to become more passionate about running the race that God has given us?

WITNESS - (10-15 MINUTES)

BREAKOUT LEADERS: The BREAKOUT is intended to cultivate transparency, accountability, and relationships that can later serve as a pathway for ongoing equipping and discipleship. Break into smaller, like-gendered groups of 3-4. Address the following questions:

- What is a significant truth that you have learned or been reminded of today?
- What past hurts or trials do you need to submit to God so you can freely *run your race*?
- How can we help support you, encourage you, or hold you accountable this week?
- How else can we pray for you this week?
