WITNESS - (10-15 MINUTES)

BREAKOUT LEADERS: The BREAKOUT is intended to cultivate transparency, accountability, and relationships that can later serve as a pathway for ongoing equipping and discipleship. Break into smaller, like-gendered groups of 3-4. Address the following questions:

- What is a significant truth that you have learned or been reminded of today?
- Think of a recent situation where you struggled to show love as described in these verses. How might applying the principles of patience, kindness, and avoiding envy or pride have changed the outcome? Using the principles described above how can you repair the relationship?
