3

WORD - (15-20 MINUTES) John 8:31-36, Galatians 5:1

1. What does Jesus say is a result of continuing in God's Word?
2. How did the people respond to Jesus' teaching on freedom?
3. According to Jesus, what's the difference between living as a slave and living as a son or daughter?
4. How do you think the freedom that Christ offers us is different from the way the world defines freedom?
5. Why do you think Paul warns us not to return to slavery?
6. If Christ has set us free, why do some people go back to living in bondage?
7. What are some of the false freedoms that people chase today that actually keep them in bondage?
8. Since sin only offers temporary satisfaction but freedom in Christ lasts forever, how should that truth shape the way you make daily decisions?
9. Can you think of an example from your own life where choosing Christ's freedom over the temporary draw of sin made a lasting difference?
