Hello Celebration Family and Guests,

Welcome to Celebration Church - where *God is met*, *Love is felt*, and *Lives are changed*. Our Pastors and I pray that you will be encouraged in today's service as you worship with God's people, learn from God's Word, and experience His presence.

Today at Celebration we begin a new sermon series, *Strategies For Stressful Times*. We know that we are living in tough economic times, where many people are struggling to survive financially, while others are wanting to know how to thrive financially. In our *Strategies For Stressful Times* series we will be learning principles from God's Word that will help us connect to God's plans for becoming healthier and stronger in every area of our lives, including our financial lives. Don't miss out on what the Lord wants to teach us through *Strategies For Stressful Times.*

At the end of October our Celebration Congregations will begin *26 Days of Impact* For 26 days members of our Congregation will be going out to Communities in our region to assist and serve people in a variety of ways. If you're aware of an elderly or handicapped person who needs some help with a project or a ministry that needs some assistance, communicate that information to one of your Campus Staff members. Here at Celebration we always want to be involved in serving the Lord and helping people.

Our EVERY THOUGHT CAPTIVE Spiritual Growth Emphasis that we just concluded on October 18 had a powerful impact on people's lives. We would love to hear your story of how the Lord used EVERY THOUGHT CAPTIVE to impact your life or someone else's life. You can send that story to us at info@celebrationchurch.org.

If you want to *Learn* more about Celebration's ministries, share a *Prayer Request* with us, or *Give* to support God's work through Celebration, you can do so by going to www.celebrationchurch.org. Lives are being changed, marriages are being reconciled, families are being restored, and people are experiencing the transforming power of Jesus here through the ministry of Celebration Church.

Gratefully yours,

Dennis Watson
