Dear Celebration Church Family,

Imagine a single act of generosity that ripples across neighborhoods, state lines, and oceans - .bringing immediate help and support and changing lives for eternity.
God has called us at Celebration to be a beacon of hope to the hurting, both at home and across the globe. Every year, our Christmas Missions Offering allows us to step beyond our regular giving to demonstrate radical love to people locally and around the world. Every dollar given through our Christmas Missions Offering goes directly to proven leaders, dedicated missionaries, and trusted ministries. Here is how your generosity will be put to work:

1. Local Transformation (Our Region)

- Fighting Hunger & Poverty: Partnering with Giving Hope NOLA to feed struggling families and providing Benevolence Funding for elderly and disadvantaged neighbors.
- **Investing in Youth:** Funding youth and family ministry through Love Your Neighbor NOLA, Urban Impact, and our Hollygrove/Dixon Life Transformation Community Center to meet the needs of inner city families and help children break cycles of poverty.
- **Mobilizing the Church:** Funding 2027 Days of Impact projects to deploy volunteers across our city to repair homes, bless schools, and serve local families and ministries.
- Overcoming Homelessness & Addiction: Supporting the N.O. Mission, Bethel Colony Transformation Center and our Celebration sponsored Homeless ministries.
- Ministering to College Students: Supporting Collegiate Ministries on local College Campuses and our annual Friendsgiving Outreaches to College Students/Young Adults.

2. National Involvement (Across Our Nation)

- **Planting New Churches:** Providing seed funding to launch vibrant churches across Louisiana and other key target U.S. cities.
- **Empowering Frontline Leaders:** Providing monthly resources and backing to over 2,500 NAMB missionaries and the Association of Related Churches (ARC).
- **Gideon's Ministry:** Proving support to a ministry that distributes Bibles to schools, hospitals, hotels and communities throughout our nation.

3. Global Impact (Around the World)

- **Disaster Relief & Housing:** Delivering urgent humanitarian aid for 2027 disasters, providing potable water for people in southern India, building homes for families in Guatemala, and supporting orphans through Echoes of Mercy (Kenya), Watoto (Uganda), and Giving Hope Ministries.
- **Solar Bibles:** Sending solar-powered audio Bibles into remote oral-culture villages in Africa so tribes can hear Scripture in their native language.
- **Equipping Pastors & Missionaries:** Training 500+ international pastors, funding short-term trips for Celebration members, and supporting 3,500+ IMB and independent missionaries, many in hostile regions.
- **Sending Mission Teams:** In 2027, every campus will send mission teams to destinations like the Dominican Republic, Costa Rica, Guatemala, and beyond.

Our Vision: 100% Participation If every individual and family in our Celebration family prayerfully gives $50, $100, or more above their regular tithe to Celebration Church, we will fully fund every one of these strategic initiatives for 2027.

HOW YOU CAN GIVE TODAY:

- **Online:** Visit www.celebrationchurch.org/give, choose your campus, and select Christmas Offering in the dropdown menu.
- **In Person:** Use a Christmas Missions Offering envelope during any weekend service throughout the holiday season.

Thank you for your open hands and unwavering commitment to reaching hurting people everywhere. As 2 Corinthians 9:6–11 reminds us, God richly blesses a joyful, generous giver so we can be generous on every occasion.

Praying with expectation,

Pastor Dennis

Dennis Watson
